## REMARKS

In the Office Communication dated May 15, 2007, the Examiner stated the Information disclosure statement (IDS) submitted on 02-07-2007 was not considered for reason that the prior art documents (Nextel i2000 phone user guide Part I and Part II) were not provided.

The undersigned believes that copies of the prior art documents were properly submitted in the IDS.

The attached electronic acknowledgement receipt for the IDS filing shows that the prior art documents were successfully transmitted along with the IDS filing.

In addition, according to the image file wrapper of the above-referenced application viewed through PAIR, the attachment of the prior art documents of Nextel i2000 phone user guide Part I and Part II are listed in the available documents for download.

Accordingly, correction of the Examiner's remarks to indicate that the prior art documents have been properly submitted is requested.

Respectfully submitted,

/Robert H. Kelly/
